

## Systematic Theology 1: God and Revelation

### Pastor

### Time

Wednesdays @ 6:30pm  
Sept. 15th – Dec. 15th

### Description

The Bible was not written in doctrinal outline, yet it does articulate a consistent view of reality. Systematic theology seeks to grasp that reality by organizing the information in Scripture into a coherent system of thought. In *Systematic Theology 1* we will be focusing on God, His revelation to us, and Scripture.

### Objectives

By the end of this course you will have a better understanding of why you believe what you believe. You will be able to think more clearly about who God is, His revelation to us in Christ, the nature of Scripture, and God's providence over His creation. It is my prayer that this course will ultimately help you know and love God more fully.
